

Kia ora katou

- Well done to students involved in *One Autumn Night* and the recent inter-school Chess tournament.
- Tutoring: our academic student leaders are offering a tutoring service at lunchtimes for students who need a little extra help. Parents as well as teachers can ask for students to attend. If you would like this opportunity for your child, please contact your child's dean.
- Meeting subject teachers: following feedback from our river conferencing survey, we are providing an opportunity for parents to speak with individual teachers on Thursday 8 June. Information on making bookings will be available in the next bulletin.
- Parent forum: the focus on social media and its impact on the lives of teenagers brought out some interesting discussion. The deregulated and complex environment produced by the internet and the addictive nature of social media means it is increasingly difficult to protect young people from online challenges. www.netsafe.org.nz is a site worth visiting with ideas for parents and school.
- River conferencing chromebook draw winners: Victoria Bridle (12TB) and parents of Kyle Allen (10Sg)
- Careers news: AUT Liaison visit Tuesday 23 May 1:30pm in the Careers Centre.
- Winter Sports: Coaches and managers should have received handbooks outlining roles and expectations. Any questions please refer to Sports Co-ordinator Cindy Berridge
- Coming events:
 - HPC Cross Country Wednesday 24 May at South Farm, South Road starting 12:30. Transport provided.
 - Rockquest Finals Sunday 27 May.
 - Gateway First Aid course Monday 29 and Tuesday 30 May. See Mr Keith
