Fitness Trainings: Friday 12 April for all students who are keen to trial for a first team. These will take place on the school field 3:45 to 5pm. A roll will be taken. The expectation is that first team members are fit for the season ahead. Fitness tests will be held for all first team members early next term and throughout the season. Note that in order to attend tournament week, first teams are required to meet standards of fitness, skills and team culture.

Winter Codes: Once trials and team selections have been finalised, students will each get a handout regarding expectations for the season ahead. First team members have additional responsibilities in terms of role modelling, fitness and commitment to their respective teams.

First team involvement in ANZAC Day: As has been the tradition for many years, first teams, both summer and winter along with student leaders, are expected to support the ANZAC Day service at the Ngatea hall (assemble outside netball courts at Ngatea Domain at 10:30am, Thursday 25 April).
