

Kia ora Parents and Whānau

Arrangements for next week (11 - 15 May): After yesterday's announcement, we need to prepare for the possibility that NZ may move to Alert Level 2 and many caregivers may be required to return to work next week. We therefore need all Junior students who require supervision who will be attending school under Alert Level 2 to register using [this form](#) by **Sunday 10 May 5pm**.

Please contact the college (email studentservices@haurakiplains.school.nz) if you have any questions regarding next week.

Junior Reports: Junior reports will be available online in the [Parent Portal](#) for parents / whānau to view next Friday 15 May.

- Parent Portal usernames and passwords will be emailed out to all parents later next week
- Parents can also phone the school office (07-8677029) to get the login information or if they experience any issues accessing the Parent Portal
- Once on the Parent Portal, the report can be easily accessed using the top menu
- Click onto the Report link to download or view your child's Term One report.

A hard copy Junior Certificate or Junior Diploma **credit update** will be given to students on return to school

Sports: Many students and parents will be keen to see sports happening again. Our message to students is to be *ready to go*. We will get code trainings and trials underway as soon as school is open.

Schools are required to continue with **online / distance learning** next week, and for students who choose to self-isolate beyond that. In order for the online learning to be as effective as possible, it would be really helpful to get feedback from parents on how it is going. Please use this [form](#). It will take just a minute or two to do. Many thanks.

We are busy making preparations for school to open, although that date has not been set yet. We want to reassure parents / whānau that we will do everything we can to make it safe, support students' transition back to school and to ensure their learning is on track. A more detailed **Back to School Plan** will be sent out next week.
