

Kia ora koutou
Dear Parents and Whānau

Thanks for your cooperation with enabling Alert Level 3 students to return on Monday of this week so that these students could meet with teachers on a small group basis. Well done to those students who continued to do their best through a challenging situation under a further lockdown.

Senior Reports: Senior progress reports and a credit update were handed out yesterday to students. We are not holding any formal parent interviews, but if you would like to contact a teacher or make an appointment, please contact your child's River Guide. Reports will be available online via the parent portal today from midday.

Girls' Rugby Jersey Raffle: The draw date of the raffle is now Thursday, 10 September 2020. Can all students please return raffle books as soon as possible.

Catch-up Day: Friday, 11 September is a catch up day. This day is set aside particularly for those who need to catch up on assessments or work. Students and parents / whānau will be notified of those who need to attend. Other students may attend for extra tutorial time with their teachers but are not required to. Buses will run as normal.

Tutorials: A number of senior tutorials are being run as part of our *Step it Up* programme on a Thursday afternoon. We are gathering information regarding further tutorials and will put this in our next e-Bulletin and also on our website *What's Happening* page.

No Spectator Sport: As under Sport Waikato rules, **No Spectator Sport** is continuing. While we acknowledge that parents and whānau would much rather be able to attend games, our priority is to continue as many sports as we can so that students get some kind of a winter season. Where we can, we are arranging live streaming of games. Thanks again for your cooperation with this.

Winter/Summer Uniform Change-over: Our uniform change-over period (from winter to summer uniform) will start on Monday, 14 September (beginning of week 9 of Term 3) and will run until Friday, 23 October (end of week 2 of Term 4). This gives families / whānau 6 weeks to sort out their children's summer uniform. From Tuesday, 27 October all students must be in full summer uniform. During the change-over period students may wear either winter or summer uniform and not a combination of both, e.g. a scarf with sandals. Included here is an image of the only acceptable summer sandals.
