

Kia ora koutou
Dear Parents and Whānau

Well done to the students involved in the *Big Sing* this week. A great performance, with the local Probus Club also enjoying both the choir and other performers at their recent meeting.

Tertiary Preparation Evening: This is happening on Tuesday 22 June, 7pm in the College Hall. An important evening to look at how students can prepare for Tertiary applications. We will be discussing preparation for course applications, scholarships, halls, studylink and being financially prepared.

Online Learning: Teachers put up a summary of the week's work at the beginning of each week. This is to enable students who are away sick or for any other reason to keep up with their work. Any issues, please contact Inia Daymond (Deputy Principal Curriculum) iniad@haurakiplains.school.nz

Sports News: If a student is injured while representing the school, we are required to keep a record of this. To lodge an injury, as a coach or manager, please email studentservices@haurakiplains.school.nz.

Congratulations to the Badminton team who won the TVSS Badminton Teams Senior Competition.
