

HPC e-Bulletin

4 June 2021

Kia ora koutou

Dear Parents and Whānau

We are now at the mid term mark with three weeks to go of Semester A. It is really important that seniors have a game plan of managing their time between now and the end of semester as no doubt there will be a number of assessments due in the last week. A number of subjects are offering tutorials and extra workshop time. Students are encouraged to make the most of these.

Semester B Courses: Students will soon receive timetables for Semester B. If there are any issues, students are encouraged to see either Joy Carter or Denise Casey to sort before the next semester gets underway.

A big thank you to South Farms for allowing HPC to host the **Thames Valley Cross Country** event on their farm. A great venue and a well-supported event from schools in the Coromandel / Hauraki area.

Junior Parent Teacher Interviews will take place on Thursday 10 June 4 - 8pm. Bookings can be made through <https://www.schoolinterviews.co.nz/code?z=nD0sXB>. The code is: **8wpvm**. Alternatively, an interview form can be collected from the Student Centre or email studentservices@haurakiplains.school.nz. We welcome students to attend with parents. Students do not need to wear school uniform.

Whānau Information and Consultation Meeting: Thanks to those who attended and listened to the significant changes ahead across both junior and senior curriculum over the next few years. Information about the next meeting will be in next week's e-bulletin.

The latest **Community Newsletter** was sent out this week. We are always looking for good news to share. Feel free to get in touch if you have any suggestions or ideas. Contact amandaf@haurakiplains.school.nz

Quote of the week:

Silence is golden, unless you have kids, then silence is just plain suspicious.
