Year 10s Learning from Home

Thank you for your cooperation with Year 10s being rostered home today. Hopefully there will be no further need for rostering home of year levels; however a bulletin will be sent out Monday morning should this be necessary.

Senior Report Evening:

This is now postponed until next Thursday 9 June 4pm to 8pm in the hope that most staff will be available for these interviews. As some bookings were cancelled due to unavailability, it is **important that you to go online and re-book or check your time slots still suit.** www.schoolinterviews.co.nz (code: **aczwc**). Our main message to students currently is to make the most of the remaining five weeks of this semester. Every credit counts.

Year 13 Course Confirmation for Semester B

The Year 13 Course Confirmation will be held from 6 - 17 June. Please see Mrs Casey if changes are required.

Sickbay/Medication Held for Students

As per our policy we need to have permission slips signed by parents whose students have medication held in the Sickbay, the Student Centre will email these to parents to complete and return forms. If we do not receive a form, we will be unable to hand medication to your child.

Passes Out of School

For safety reasons, it is essential that the school knows the whereabouts of students at all times during the school day. Students who need to leave the school grounds for any reason during the school day need a Street Pass. This is issued by the Deputy Principal and requires a written note from home. Street passes are not issued to buy lunch or food downtown; rather they are for things like going to the doctor, picking up a script from the pharmacy or a meeting/interview at a business.

Picking Up Students during School Hours

If parents are needing to pick up their children during the school day, please arrange to pick them up at the Student Centre.

Often students fall ill and consequently want to go home. Since students are not allowed to have their phones at school, they cannot phone/text/email their parents to pick them up. Students have to go to the Student Centre and the staff member will call the parent and organise for the student to be picked up.
